Shoulder Services

July 31 & August 1, 2010

Dear Colleagues,

It gives us great pleasure to invite you for the Shoulder Conclave 2010 on July 31 and August 1, 2010 at Pune.

We are very fortunate to have an eminent overseas Faculty – Dr. James C Esch MD, who needs no introduction at all. The recently concluded 27th San Diego Shoulder Course, which is representative of clinical excellence, skill based learning and model cadaveric labs owes its success to him.

We have planned live surgical demonstrations, plenary sessions and an interactive “ Meet the Master ” session which will give you unlimited access to the faculty.

Weather in July – August at Pune is to be experienced not described. We have specially negotiated a package rate with the hotel for the Residential Registration.

Due to logistical reasons, we have limited the Registrations to first 175 only. Please mark the dates and send us your confirmation to avoid disappointment.

We look forward to have you with us at Pune.
